DEVELOPMENT CORPORATION

Affordable Solutions For Corporate Expansion

As Mercer County's lead economic development agency,

PNDC strives to ensure that businesses, as well as Mercer County's economy, succeed. Established in 1985 as a 501 (c)(3) private, non-profit, economic development corporation, our mission is to attract new business and industrial investment, provide outreach and retention services to support the retention and expansion of value added business and industry, and provide coordination and support services for economic development in the region.

We serve as a strategic partner to help businesses make it, keep it and grow it in Mercer County. Additionally, businesses and individuals can become members to support our mission in enhancing Mercer County's business community and local economy.

Since we started, PNDC has participated in more than 400 Development, Expansion, Retention and Community projects, resulting in the creation of over 8,000 new jobs and the retention of over 13,000 jobs. The last 35 years of Economic and Community Development activity has resulted in nearly \$1 billion in public/private investment in the County.

PNDC's Professional Industrial Plant Expansion, Relocation and Start-up Services include:
